- * The committee only takes care of coffee, tea and soft drinks. If you want to use alcoholic drinks, you have to buy it you self. Please be carefull with alcohol.

* There are a lot people with us who want to help. Think about: carrying water, prepare food, do the shoppings, traffic controller, etc etc. If you prefer one (or more) please let us know. Or be aware that we can ask you to do one of these important jobs.

Members staying in the shared accommodation:

* Breakfast , lunch and dinner:

There is money left from your first payment. We will use this money for the first meals which we use at the campsite. When that money is spent, we will come to you to ask for more!

Members staying in their own (paid) accommodation:

* Breakfast , lunch and dinner:

You are very welcome to join the meals, but we will ask you to pay us your part of the costs. Let it know to the committee at last the day before if and when you want to join.
